

**space quantum communication - vixra** - space quantum communication nict developed the world's smallest and lightest quantum communication transmitter (sota) onboard the microsatellite socrates. **quantum technologies in space** - quantum technologies in space intermediate strategic report for esa and national space agencies november 2017 ... the maturity of quantum communications also makes realistic to envisage the near-term development of commercial drivers. the potential economic . value of quantum cryptography is considerable. several industries are investigating such technology: manufacturers of telecom equipment ... **quantum communication, sensing and measurement in space** - quantum enhancements to remote sensing and in situ instruments in space. eight subtopic areas emerged from the workshop as warranting further investigation and refinement in the following four months of the study. **quantum communications in space (Qspace) executive ...** quantum communications in space (Qspace) executive summary report markus aspelmeier, hannes r. böhm, caslav brukner, rainer kaltenbaek, michael **artist impression of space- quest: distribution of pairs ...** - to demonstrate quantum communications in space, this investigation envisaged establishing free-space optical links between a space-based transceiver and several transceivers **cubesat quantum communications mission - arxiv** - quantum communication is a prime space technology application and offers near-term possibilities for long-distance quantum key distribution (qkd) and experimental tests of quantum entanglement. **extension of tests on basic principles of quantum ...** - extension of tests on basic principles of quantum mechanics using quantum communications to an orbiting terminal in space prof. paolo villoresi **towards quantum communication in free-space seawater** - long-distance quantum channels capable of transferring quantum states faithfully for unconditionally secure quantum communication 1,2,3 have been so far confirmed feasible in both fiber 4,5,6 and free-space air 7,8,9 . **space quantum key distribution: a game changer in its security?** - space optical communications and have recently carried out the first quantum-limited experiment from a space terminal by using sota (small optical transponder) onboard the microsatellite socrates (space optical **quantum communications in space using satellites** - quantum communications in space using satellites giuseppe vallone, d. bacco, d. dequal, s. gaiarin, m. schiavon, m. tomasin, v. luceri, g. bianco and p. villoresi **quantum communications at nasa glenn research center** - for secure space communications awarded 10/14/2015: (1) characterize advr high generation rate entangled photon source. (2) develop computational models of qi and alternative quantum
